

PRINCE RAJ

Patna, Bihar 800011 | +91-9973678578 | princekr497@gmail.com | www.linkedin.com/in/Van | github.com/princeraj

PROFESSIONAL SUMMARY

Results-driven B.Sc IT graduate with hands-on experience in developing web applications and AI-powered solutions. Proficient in JavaScript, Node.js, React, and REST API development, with practical knowledge of cloud deployment using AWS (EC2, S3). Experienced in building automation workflows and AI agents using tools like N8N and Vapi. Developed projects including an LMS platform, eCommerce application, and AI healthcare assistant. Seeking an entry-level role to apply technical skills and contribute to impactful projects.

Languages: Java, Python, JavaScript, C++

Frontend: React.js, HTML5, CSS3, Responsive UI Design

Backend: Node.js, Express.js, REST APIs

AI & Automation: N8N (Agentic AI), Vapi (Voice AI)

Databases: MongoDB, SQL Server

Cloud & DevOps: Amazon EC2, Amazon S3, Docker, Git, GitHub

Operating Systems: Linux, Windows 11

PROJECTS

Style Cart — E-Commerce Platform

MERN Stack (MongoDB, Express.js, React.js, Node.js) | Git & GitHub

- Developed a full-featured eCommerce web application enabling users to browse products, add to cart, and place orders.
- Implemented **RESTful APIs** for product management, user authentication, and order processing.
- Integrated secure user authentication and authorization for login and signup functionality.

College Counsellor Agent

N8N (Agentic AI) | Vapi (Voice AI)

- Developed an AI-based college counsellor agent to assist students with admission queries, course selection, and eligibility guidance.
- Implemented multi-channel support (chat + voice) to enhance accessibility and user engagement
- Captured student details (e.g., name, contact, preferences) through chat and voice interactions
- Automated data storage by integrating with **Google Sheets API** to log and manage student information

MedLens — AI Healthcare Assistant (3rd Place at VIRASAT TECHCURE HACKATHON 2026)

React.js | Python Flask | OCR

- Analyzed and decomposed a complex healthcare problem statement into clear, actionable modules — identified core user pain points and defined feature scope within the first hour of the hackathon.
- Built **MedLens**, an AI-powered healthcare assistant during a hackathon, offering multiple health support features in a single platform.
- Enabled users to analyze nutrition, summarize medical reports, and access medicine-related information instantly.
- Leveraged AI and API integrations to deliver fast, reliable, and user-centric healthcare assistance.
- Aggregated and displayed information about health camps and medical services to improve healthcare accessibility.

EduPath — Learning Management System

MERN Stack | N8N (AI Chatbot Integration)

- Built a comprehensive LMS with User Authentication , course management, student dashboards, progress tracking, and an embedded N8N AI chatbot.
- Chatbot helps to give the information about the query regarding Course Purchase, Course information , doubt-solving and give questions to practice.
- Designed role-based access control for students and admins(instructors) across a scalable backend architecture.

EDUCATION

B.Sc Information Technology — Cimage College, Patna (Expected April 2026)

Intermediate Science (PCM) — A.N. College, Patna (March 2022)

Matriculation (Class X) — Himalayan Public School, Patna (March 2020)

CERTIFICATIONS

-
- Java Programming — IIT Spoken Tutorial ([Certificate Link](#))
 - Python Programming — IIT Spoken Tutorial([Certificate Link](#))
 - C++ Programming — IIT Spoken Tutorial ([Certificate Link](#))
 - JavaScript — IIT Spoken Tutorial([Certificate Link](#))
 - React.js — LetsUpgrade ([Certificate Link](#))
 - Node.js & Express.js — LetsUpgrade ([Certificate Link](#))
 - Agentic AI (N8N) — CIMAGE College([Certificate Link](#))
 - Power BI – Skill Nation ([Certificate Link](#))

ACHIEVEMENTS

-
- 3rd Place, VIRASAT TECHCURE HACKATHON 2026 — Competed against 20+ teams; built MedLens, an AI healthcare assistant, demonstrating full-stack development and rapid prototyping under time pressure.
 - Runner-up, Cricket CPL 2026 (College Premier League) — Led team strategy as captain; recognized for leadership, collaboration, and composure under competitive pressure.
